Dear Dr. Faul:

I am glad to provide you with the NIS Gazetteer of the USSR for your personal use at the university. The seven-volume set will be shipped by the end of this week.

This gazetteer is now being revised and a new edition is expected to be ready by the end of this year. Should you have continuing need for this gazetteer, I suggest you initiate a request for the new set at that time.

Sincerely,

JAMES A. BRAMMELL
Director
Basic and Geographic Intelligence
